Subject: Split sample for New Cricket Spring, Arkwood

---

jean/jay: The split sampling for Arkwood scheduled for December had to be postponed due to not being able to finish the paper work. Kent Becher of USGS will be touch to complete the split sampling in January 2012. Please keep Kent informed on possible sample collection in January.

Kent Becher----- can be reached at Cell 817-253-0356 or USGS 817-263-9545 Ext 204  
Thanks  
Shawn
